

**Company:**

Eilers & Krejcik Gaming, LLC is a boutique market research and strategic consulting & advisory firm focused on servicing the gaming equipment, interactive gaming, and sports betting sectors within the global gaming industry.

Job Description:

Jr. Analyst, Analyst, Sr. Analyst (depending on experience) – Slot Performance & Analytics

Location:

Remote/Las Vegas-NV

Position:

We are seeking a highly skilled and analytical Analyst to join the Slot Analytics team. The successful candidate will be responsible for collecting and analyzing data and reporting on the casino slot product market and related trends.

Key Responsibilities:

- Use reporting tools and software to generate reports and dashboards
- Report and monitor casino slot product trends (e.g. Game Performance, New Hardware)
- Extract data from various sources, including databases and Excel files
- Manage data quality control processes
- Suggest solutions and recommendations based on data insights
- Continuously improve data accuracy and efficiency

Requirements:

- Interest in Casino/Gaming industry
- 1-2 Years' Experience in Casino/Gaming or Analytical role
- Strong analytical and problem-solving skills
- Excellent communication and presentation skills

Preferred Qualifications:

- Bachelor's degree in a related field (e.g. Business, Mathematics, Economics, Computer Science)
- Experience with SQL
- Experience in using reporting and data visualization tools (e.g. Tableau, Excel)
- Familiarity with statistical analysis techniques and machine learning concepts
- Experience in a business or consulting environment

Compensation:

Compensation will be commensurate with education and experience and will include a base salary with the potential for a quarterly bonus depending on the firm's overall profitability.

What We Offer:

The ability to build and sharpen skills that touch a variety of markets and career paths in a demanding but flexible working environment. We're composed of a group of small teams, so the candidate has the potential to pick up additional responsibilities and opportunities for growth as they develop with the company. Furthermore, despite the size, the company has a broad reach within our industry, which means your work will be visible by a wide audience. Finally, we offer a full benefits package including health care, retirement contributions, and ability to work remote.
